Student Name: _____

Students will register for classes on-line. However, we will want you to return this scheduling sheet to your Advisory teacher by February 17th. Instructions on how to register on-line are on the last page of this packet. If you do not have access to the internet simply fill out this scheduling sheet and hand in to your school counselors.

REQUIRED FULL-YEAR CORE COURSES: The following courses will be automatically scheduled on your schedule:

*Integrated English- American History- Science- *Math- Study Hall*

*Math placement is based on successful completion of the previous math course studied and teacher recommendation.

ELECTIVE COURSES: Unified Arts classes are either full year (6 Units) or six weeks long (1 Unit). Each student must choose courses that total 12 units (12 six-week units). The exception is for students who are enrolling in **Zero Period Foreign Language**; these students will choose 18 total units. Zero Period Foreign Language starts at 7:15am (before the typical school day) and ends at 8:00am. Students must find their own transportation to school. The purpose of offering Zero Period FL is to give you more options when scheduling Unified Arts classes. Finally, 8th grade schedules will have time built into each schedule for Study Hall. Study Hall is **not** an elective course choice. Use the planner on the back of this sheet to help you plan out your course selections.
