

# ACADEMICS

Check out the following items to help guarantee success academically:

### Attend Regularly!

Students that are successful miss fewer than 10 days per year. If you do have to miss class, be sure to ask your teachers for make-up work or tests when you come back!

### Prepare for Class!

Every homework assignment counts in your learning. Never miss assignments. Take your student planner to every class. Bring books home to study. There is a difference between studying and doing homework. Practice- Practice- Practice! Studying means reading, taking notes, reviewing notes, and developing a deep understanding of the content.

### Get Involved!

Use this pamphlet to get to know what activities are available and whom to contact. Teachers will often ask students to help on special projects. Volunteer in class! Participate in group discussions!

### Listen to Daily Announcements!

Many special activities occur that you won't want to miss. Each morning announcements are read, attached to the Shanahan listserv, and displayed on the website.

## Mission Statement

Our mission is to facilitate maximum learning for every student

## Olentangy's Vision

Our students will perform at a level that surpasses or is equal to their anticipated level of achievement based on measured ability. We will promote high expectations for students in all areas: academic, artistic, physical, health, citizenship, and service. In a fiscally responsible manner, we will commit the resources necessary to establish and maintain:

- A respectful, caring, and safe environment
- Research-based, student focused instruction
- Information-driven decision making
- A focused and challenging curriculum
- Collaboration focused on improving student learning
- An active partnership with parents and community
