

Olentangy Local School District School Funding Action Committee Application

The Olentangy Local School District is looking for interested community members to participate in the School Funding Action Committee. Members should be interested in learning more about Ohio's school funding system, willing to work with elected officials to educate them on Olentangy's funding needs and able to communicate school funding issues to other residents. No previous experience is necessary, members should just be interested in learning more about school funding and becoming an active advocate for our school district.

The purpose of the School Funding Action Committee is to organize Olentangy residents in order to express the concerns of the community and board regarding the state's system of funding public schools. Committee members will act as advocates for Olentangy on state and federal school funding issues. The Committee will communicate to the residents and the board members any activities and findings as they result to the committee's purpose.

The committee will be made up of no more than 15 district residents lead by Olentangy resident Cathy Epevary. The school board liaisons are board president Julie Wagner Feasel and board member Scott Galloway. The administrative liaison is district Treasurer and CEO Rebecca Jenkins. The committee will meet on an as needed basis depending on the timing of the tasks and the issues at hand. Past work from the committee can be found on the district's Web site at <http://www.olentangy.k12.oh.us/district/board/sfac/index.html>

If you are interested in becoming a member, please fill out the information below and submit it by Friday, February 19, 2010 to:
