TEACHER ACADEMY II

3/27/09

Standard 4: Design a Career Blueprint	Standard 7: Manage a Life Plan	Standard 9: Nurture and Care for Children
Develop and revise career plan. Analyze personal interests, talents, skills, aptitudes and values in relation to career options. Plan for development of employability skills.	Integrate management principles that will lead to more productive and meaningful lives.	Recognize factors that affect growth and development of children.
How do employability skills affect employment?	How do I manage my life?	How do I apply child development knowledge to teaching?
