

PAY-TO-PARTICIPATE FEES AND FORM

Olentangy Local Schools requires a fee for participation interscholastic athletics. Several factors were considered in deciding the fees assessed, including athletic trainers/safety, equipment, supplemental contracts for coaches/advisors, travel, total number of participants, and whether or not academic credit is associated with the activity.

Olentangy Local Schools has adopted a policy that requires a \$75 fee for participation in interscholastic athletics. There is a \$25 fee for participation in the second sport, and no charge for the third sport. There is a maximum fee of \$100 per family per building and \$200 per family per year. The student fees are assessed to defray only a part of the expenses of our programs. Fees for participation are to be assessed for one full year.

For athletics all fees are non-refundable after the first game and paying the fee does not guarantee the playing time of your child. The payment deadline is before the first scrimmage or game. The athlete will not be allowed to participate until the fee is paid. If a student loses eligibility after he/she has paid special activity fees or dues, there will be no refund from the Board of Education or from the activity fund treasury.

Each building is responsible for collecting these fees. Athletic activity fees are to be paid by check/money order to Olentangy Local Schools. Return all forms and checks to the individual buildings. Please indicate the name of the student and the activity for which the fee is being paid in the "memo" area of the check. Payments may also be made in full by credit card online where available (go to www.olentangy.k12.oh.us, then "myOlentangy"). At the end of the school year, report cards or course credit may be withheld until all fees are paid. Grade cards may also be held each quarter for non-payment of fees.
