

# Wireless Internet Access using Student-Owned Devices

Olentangy Local School District (OLSD) will provide access to filtered Internet and FirstClass email via wireless access for personal computing devices belonging to students for educational purposes. Please note OLSD will not be able to provide technical support for personal computing devices.

All requirements/restrictions described in the student Acceptable Use Policy (AUP) will apply. You are not allowed to circumvent the Internet filter or click-through warnings. Personal computing devices are not to be attached to the OLSD network other than the wireless network provided for student use. Computing devices that have been determined to be a threat to the network integrity will be immediately removed from the network and will not be allowed back on until the technology department is assured that the cause for removal has been resolved. Passkeys are not to be shared with others.

OLSD will not be responsible for lost, stolen or damaged property whether it be by accidental or malicious means including but not limited to other users, viruses, malware, spyware or bot traffic.

Violators will be subject to disciplinary actions, removal from wireless network and/or confiscation of equipment. As a condition to using OLSD's wireless network, I acknowledge that I have no expectation of privacy in my use of the network, and I specifically understand and agree that my personal computing device may be confiscated and searched anytime school officials have reasonable suspicion of violations of the AUP, this credential form, or any other Board policies, guidelines or laws.

**I understand I will receive the wireless passkey from a teacher or the school office upon submission of this completed application.**

## Wireless Access Agreement

My signature below indicates that I have read the Wireless Internet Access using Student-Owned Devices statement and understand my responsibilities for using the wireless network.
