## Kindergarten Readiness Assessment

Description/Rationale
The Kindergarten Readiness Assessment (KRA) is a comprehensive assessment to measure a child's school readiness in the following six components: social skills, mathematics, science, social studies, language and literacy, and physical well-being and motor development.

Entity Requiring this Assessment: Ohio Department of Education

Cost: None

Grade Level(s)/Courses

- Kindergarten

Teacher Evaluation Implications
N/A

Student Testing Time
$45-60 \mathrm{~min}$

## Elementary Diagnostics

## Description/Rationale

The primary purpose of the diagnostic assessments is to check the progress of the students towards meeting the standards. Results from the diagnostics are used by classroom teachers to inform their instructional planning.

Entity Requiring this Assessment: Ohio Department of Education (District selects assessment)

Cost: None

## Grade Level(s)/Courses

## aimswebPlus

## Description/Rationale

aimswebPlus is a combination of a universal screener, standards-based assessment, and progress monitoring tool that measures reading and math performance. It can be used to quickly identify students who are at-risk, monitor student progress and report growth. aimswebPlus probes can be given multiple times each year to regularly monitor students' progress and determine the effectiveness of any interventions. aimswebPlus also supports the Response to Intervention (RTI) process.

Entity Requiring this Assessment: District

Cost: $\$ 6.50 /$ student

## Grade Level(s)/Courses

- Reading: Grades K-8
- Math: Grades K-8

## Teacher Evaluation Implications

aimswebPlus is an approved vendor assessment to be used as a student growth measure and could be used a part of a teacher's evaluation but the district is not electing that option at this time.

## Student Testing Time

- Grades K-1 Reading:
6 min
- Grades K-1 Math:
- Grades 2-8 Reading: 15 min
- Grades 2-8 Math:

## Ohio's State Tests

## Description/Rationale

Ohio's State Tests encompasses content-specific assessments developed by the American Institute of Research (AIR). Each test has two parts that are administered over a 15-day window in April/May. Ohio requires school districts to administer these tests annually and report results on the State Report Card. Additionally, seven high school end-of-course tests are a component of the graduation requirements beginning with the class of 2018.

Entity Requiring this Assessment: Ohio Department of Education

Cost: None

## Grade Level(s)/Courses

- Grade 3: English Language Arts (Fall and Spring) \& Math
- Grade 4: English Language Arts \& Math
- Grade 5: English Language Arts, Math \& Science
- Grade 6: English Language Arts \& Math
- Grade 7: English Language Arts \& Math
- Grade 8: English Language Arts, Math \& Science
- High School
- English Language Arts: CP English 9 (ELA I) \& CP English 10 (ELA II)
- Math: Algebra I, Geometry
- Science: Biology
- Social Studies: U.S. History, U.S. Government

## Teacher Evaluation Implications

Growth data will be calculated for teachers in the areas listed below. This growth data, possibly combined with student learning objectives (SLO), counts towards $50 \%$ of a teacher's evaluation. Growth data will be reported for the following tests:

- ELA and Math, grades 4-8
- Science, grades 5 \& 8
- Algebra 1 \& Geometry

## Ohio's State Tests, continued

- CP English 9 \& CP English 10
- Biology
- U.S. History
- U.S. Government

- Biology: 3 hours
- U.S. History: 3 hours
- U.S. Government: 3 hours

## ACT

Description/Rationale
The ACT is a standardized college readiness test that is used for high school achievement and college admissions. The test consists of four sections: English, mathematics, reading and science. Ohio requires that the ACT be administered to students in the spring of their $11^{\text {th }}$ grade year. If students score at or above the college readiness benchmark in the English, mathematics and reading sections, they will meet one of the three pathways to graduation.

Entity Requiring this Assessment: Ohio Department of Education

Cost: None

Grade Level(s)/Courses

- Grade 11

Teacher Evaluation Implications

Student Testing Time
2 hours 55 min

## TerraNova/InView

## Description/Rationale

The TerraNova is a norm-referenced assessment, which means it ranks students based on scale scores and assigns students a national percentile. This assessment is a standardized way to compare our students' performance to students from across the nation. The TerraNova is also used for gifted identification. In addition to gifted identification, the TerraNova Reading test can be used as an alternate assessment for student's to earn a promotion score for Ohio's Third Grade Reading Guarantee.

The InView is a test of cognitive skills and provides a Cognitive Skills Index (CSI). This score is also used for gifted identification and fulfills the requirement to give students an ability assessment in both elementary and middle school grades.

Entity Requiring this Assessment: District

Cost: $\approx \$ 110,000.00$

## Grade Level(s)/Courses

- Grades 2, 3 \& 6: Reading, Math, Science, Social Studies \& InView

## Teacher Evaluation Implications

Terra Nova is an approved vendor assessment but the district does not collect growth data from it so it is not used in teacher evaluations.

## Student Testing Time

- Grade 2: 4 hours 45 min
- Grade 3: 5 hours 15 min
- Grade 6: 5 hours 5 min

## Ohio's English Language Proficiency Assessment (OELPA)

## Description/Rationale

The OELPA fulfills the state and federal requirement to annually assess K - 12 students who are Limited English Proficient (LEP) and measures their English language proficiency. The test measures four areas: Reading, Writing, Speaking and Listening. Student scores are used to measure the district's performance on the Annual Measureable Achievement Objectives (AMAO).

Entity Requiring this Assessment: Ohio Department of Education

Cost: None

## Grade Level(s)/Courses

- Grades K - 12: Reading, Writing, Speaking \& Listening

Teacher Evaluation Implications
N/A
Student Testing Time
Grades K-3: Up to 4 hours (varies depending on student)
Grades 4-12: Up to 8 hours (varies depending on student)

# Alternate Assessment for Students with Significant Cognitive Disabilities (AASCD) 

## Description/Rationale

The AASCD is given to students who, per their IEP, are to take an alternate assessment of the required state testing. The assessment measures a student's mastery of the Ohio Academic Content Standards - Extended. Based on their performance, students are placed into one of five performance levels: advanced, accelerated, proficient, basic, or limited. Student achievement from the AASCD is factored in the calculation of the Performance Index on the state report card.

Entity Requiring this Assessment: Ohio Department of Education

Cost: None

## Grade Level(s)/Courses

- Grade 3: English Language Arts \& Math
- Grade 4: English Language Arts \& Math
- Grade 5: English Language Arts, Math \& Science

- Grade 7: English Language Arts \& Math
- Grade 8: English Language Arts, Math \& Science
- Grade 10: ELA, Math, Science and Social Studies

## Teacher Evaluation Implications

N/A

## Student Testing Time

Student testing time varies based on individual student needs and abilities.

## PSAT

Description/Rationale
The PSAT is a national standardized test that measures skills and knowledge in the areas of reading, writing and language, and math. Score reports provide students with information about their college readiness in these areas as well as how they performed represented as a national percentile.

All $11^{\text {th }}$ grade students who take the PSAT are entered in the National Merit Scholarship Program, which is an academic competition for recognition and scholarships.

Entity Requiring this Assessment: District

Cost: $\$ 17 /$ student

Student Testing Time
2 hours 45 min

## Advanced Placement (AP)

Description/Rationale
AP Assessments are given during the first two full weeks of May and are used to measure a student's mastery of the AP course content. Based on the students' scores, 1 to 5 , they could earn college credit.

Entity Requiring this Assessment: District

Cost: \$94.00/test (Student pays)
