The District has received the 2nd half property tax settlements from both Delaware County and Franklin County. In addition, Board of Revision Collections are slightly higher than anticipated. The Ohio Department of Education is working on developing new funding reports to demonstrate base funding and categorical funding components. As the Ohio Department of Education works through the Fair School Funding Plan (FSFP), the District will continue to receive monthly foundation funding at the Fiscal Year 2021 levels. The Ohio Department of Education is anticipating implementing FSFP reporting and funding to be at the same rate as 2020.

Overall, the current monthly expenditures are aligning to the Spring 2021 Forecast update. Current expenditures represented approximately 16% of the projected expenditures for the year. Purchased Services include property and insurance premiums paid in August of each year.

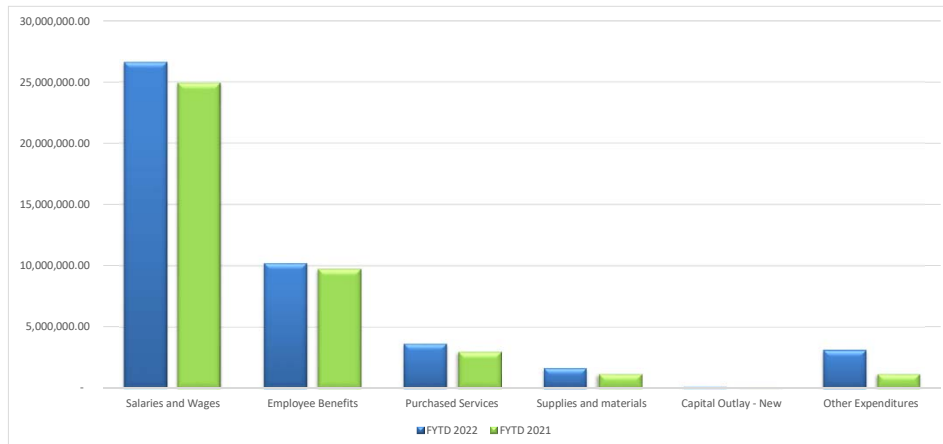

The District is not eligible to receive additional Federal funding provided by ESSER II nor ESSER III (American Rescue Plan). Should additional expenditures related to the pandemic continue, those costs will be expensed to the General Fund. Monthly expenditures will be closely monitored for fluctuations and adjustments, if necessary, will be reported in the upcoming Fall 2021 Forecast.

## GROUND LEASE AGREEMENT

THIS GROUND LEASE AGREEMENT ("Lease") is effective as of the latter of the signature dates below ("Effective Date") by and between Olentangy Local School District, Board of Education, an Ohio school district ("Lessor") and TOWERCO 2013 LLC, a Delaware limited liability company ("Lessee").

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Premises. Lessor is the owner of certain real property located in Delaware County, State of Ohio, as more particularly described in Exhibit A annexed hereto (the "Parent Parcel"). Lessor hereby leases to Lessee and Lessee leases from Lessor approximately two thousand five hundred square feet (2,500) of the Parent Parcel and all access and utility easements if any, (the "Premises") as described in Exhibit B annexed hereto. Furthermore, Lessor shall lease additional land adjoining the Premises for the purpose of installing landscaping if required by the local zoning and permitting jurisdiction.

2. Use. The Premises may be used by Lessee and Lessee's tenants and licensees for the transmission and receipt of wireless communication signals in any and all frequencies, the construction, maintenance, operation, subleasing and licensing of towers, antennas, and buildings, and related facilities and activities, and for any other uses which are incidental thereto ("Intended Use"). Lessee and its sublessees and licensees shall have access to the Premises twenty-four (24) hours a day, seven (7) days a week. Lessor agrees to reasonably cooperate with Lessee in obtaining, at Lessee's expense, all licenses and permits required for Lessee's use of the Premises (the "Governmental Approvals"). Lessor further agrees to reasonably cooperate with Lessee in executing and delivering any documents requested by Lessee to obtain Government Approvals necessary for its Intended Use. In the event that Lessee's Intended Use of the Premises is actually or constructively prohibited then Lessee shall have the option to terminate this Lease with notice to Lessor.

3. Term. The term of this Lease shall be ten (10) years commencing on the date Lessee begins commercial operation of the Improvements (as defined in Paragraph 7(a)) or eighteen (18) months after the Effective Date, whichever first occurs ("Commencement Date") and terminating on the tenth (10<sup>th</sup>) anniversary of the Commencement Date (the "Term") unless otherwise provided in Paragraph 9.

4. Renewal Terms. Lessee shall have the right to extend this Lease for eight (8) additional five (5) year terms ("Renewal Terms"). Each Renewal Term shall be on the same terms and conditions as set forth in this Lease except that Rent shall increase as provided in paragraph 5. This Lease shall automatically be renewed for each successive Renewal Term unless Lessee notifies Lessor in writing of Lessee's intention not to renew the Lease at least thirty (30) days prior to the expiration of the Term or the Renewal Term which is then in effect.

5. Consideration. During the Term, Lessee shall pay Lessor the monthly sum of One Thousand Six Hundred Seventy DOLLARS (\$1,670) ("Rent"). Rent shall be payable on the first

day of each month in advance to Lessor at Lessor's address as specified in paragraph 19 below. Rent shall be increased on the commencement of the fifth anniversary of the Commencement Date by two and one-half percent (2.5%) over the Rent payable during the immediately preceding year and shall escalate by two and one half percent (2.5%) on each anniversary thereafter. If this Lease is terminated at a time other than on the anniversary of the Commencement Date, Rent shall be prorated as of the date of termination and all Rent paid in advance of the termination date shall be refunded to Lessee.

As further consideration for Lessor to enter into this Lease, Lessee shall pay to Lessor within ten (10) days of the Effective Date of this Lease, a one-time signing bonus of One Thousand DOLLARS (\$1,000).

As further consideration for Lessor to enter into this Lease, Lessee shall pay to Lessor within ten (10) days of the Commencement Date of this Lease, a capital contribution of Fifty Thousand DOLLARS (\$50,000).

6. Revenue Share. In the event Lessee sublets or licenses space on the Communication Facility to more than one third party PCS wireless provider ("**Collocator**"), Lessee shall remit Thirty percent (30%) of the rent or license fees collected by Lessee from each Collocator (the "**Collocator Rent**") to Lessor (the "**Lessor Revenue Share**"). The Collocator Rent shall be negotiated by and between Lessee and Collocator, on terms acceptable to Lessee, in Lessee's sole discretion. In calculating the amount of the Lessor Revenue Share payment, the Collocator Rent shall not include (i) any payment received by Lessee under the applicable sublease or license for reimbursement of operating expenses or construction costs relating to the Communication Facility paid by Lessee, (ii) any other payment other than regular recurring rent or license fees or (iii) any rent or license fee collected by Lessee from the first subtenant or licensee ("Anchor Tenant"). Lessee's obligation to pay the Lessor Revenue Share payment to Lessor shall expire or abate, as applicable, at such time when Collocator does not pay the Collocator Rent to Lessee, and shall resume, as applicable, if and when the Collocator resumes paying such recurring Collocator Rent with the Lessor Revenue Share being prorated for any partial periods. At no time shall Lessee be required to pay the Lessor the Revenue Share payment for the Anchor Tenant. In the event the Anchor Tenant abandons the Premises, Lessee shall have the right to substitute the Anchor Tenant with a Collocator thereby reducing the rent.

7. Improvements; Utilities; Access.

(a) Lessee shall have the right, at Lessee's sole cost and expense, to erect and maintain on the Premises improvements, personal property and facilities necessary or desired for its Intended Use (collectively the "Improvements"). The Improvements shall remain the exclusive property of the Lessee throughout the term and after the termination of this Lease. Lessee may construct, alter, demolish, reconstruct, restore, replace, supplement, modify and reconfigure the Improvements at any time during the Term or any Renewal Term of this Lease. Lessee shall remove all of the above-ground portions of the Improvements not later than one hundred eighty (180) days following any termination of this Lease. Lessor grants Lessee the right to clear all trees, undergrowth, or other obstructions and to trim, cut, and keep trimmed and cut all tree limbs which may interfere with or fall upon the Improvements or Premises. Lessor grants Lessee a non-exclusive easement in, over, across and through other real property owned by Lessor as reasonably

required for construction, installation, maintenance, and operation of the Improvements. In the event that a guyed tower is constructed on the Premises, Lessor also grants Lessee an easement in, over, across and through Lessor's real property during the Term and any Renewal Term of this Lease for the installation and maintenance of and reasonable access to the guy wires and guy wire anchors.

(b) Lessee shall have the right to install power, telecommunications, cables, conduit, and any other utilities, including cabinets, vaults and improvements directly related to such utilities, on the Premises, at Lessee's expense, and to improve present utilities on the Premises (including but not limited to the installation of emergency power generators). Lessee shall have the right to permanently place utilities on (or to bring utilities across or under) the Premises and the Improvements. In the event that utilities necessary to serve the equipment of Lessee or the equipment of Lessee's licensee(s) or sublessee(s) cannot be located within the Premises, Lessor agrees to cooperate with Lessee and to act reasonably in allowing the location of utilities on the Parent Parcel or other real property owned by Lessor without requiring additional compensation from Lessee or Lessee's licensee(s) or sublessee(s). Lessor shall, upon Lessee's request, execute within fifteen (15) days a separate written easement to the utility company providing the service or Lessee in a form which may be filed of record evidencing this right.

(c) Lessor grants to Lessee, its officers, agents, employees, sublessees, licensees and their independent contractors, the right and privilege to enter upon the Premises and the Parent Tract, to perform or cause to be performed test borings of the soil, environmental audits, engineering studies and to conduct a survey of the Premises and all or part of the Parent Tract. Lessor grants Lessee and its sublessees and licensees a license to use such portion of Lessor's property contiguous to the Premises on a temporary basis as reasonably required during the Term or any Renewal Term of this Lease for the construction, installation, maintenance or removal of the Improvements, including access for construction machinery and equipment, storage of construction materials and equipment and staging areas.

(d) Lessor represents and warrants to Lessee that Lessee shall at all times during this Lease enjoy ingress, egress and access from the Premises twenty-four (24) hours a day, seven (7) days a week to an open and improved public road which presently exists and which shall be adequate to service the Premises and the Improvements. If no such public road exists or ceases to exist in the future, Lessor will grant an exclusive easement to Lessee, Lessee's sublessees and assigns so that Lessee may, at its own expense, construct a suitable private access drive to the Premises and the Improvements. To the degree such access is across other property owned by Lessor, Lessor shall execute an easement within fifteen (15) days of evidencing this right and Lessor shall maintain access to the Easement in a free and open condition so that no interference is caused to Lessee by other lessees, licensees, invitees or agents of the Lessor which may utilize the Easement.

8. Lessor's Representations and Warranties. As an inducement for Lessee to enter into and be bound by the terms of this Lease, Lessor represents and warrants to Lessee and Lessee's successors and assigns that Lessor (i) has good and marketable title to the Premises, (ii) has the authority to enter into and be bound by the terms of this Lease, (iii) to the best of Lessor's knowledge, there are no pending or threatened lawsuits, administrative actions (including bankruptcy or insolvency proceedings), suits, claims or causes of action against Lessor or which may otherwise affect the Premises, and (iv) the Premises are not presently subject to an option, lease, agreement or other contract which may adversely affect Lessor's ability to fulfill its obligations under this Lease. Lessor covenants and agrees that it shall not grant an option or enter

into any contract which will adversely affect Lessee's Intended Use (as defined in paragraph 2 above) of the Premises until this Lease expires or is terminated by Lessee.

9. Termination. Except as otherwise provided herein, this Lease may be terminated, without any penalty or further liability upon written notice as follows:

(a) By either party upon a default of any covenant or term hereof by the other party which default is not cured within sixty (60) days of receipt of written notice of default (without, however, limiting any other rights available to the parties pursuant to any other provisions hereof); provided, that if the defaulting party commences good faith efforts to cure the default within such period the cure period may be extended upon mutual agreement, in writing, of the parties hereto;

(b) Upon thirty (30) days' written notice by Lessee to Lessor if (i) Lessee is unable to obtain or maintain any license, permit or other Governmental Approval necessary for the construction and operation of the Improvements or Lessee's business or (ii) Lessee's Intended Use of the Premises is actually or constructively interfered with; or

(c) By Lessee for any reason upon written notice from Lessee to Lessor.

10. Removal/Restoration. All portions of the Communication Facility brought onto the Parent Parcel by Lessee will be and remain Lessee's personal property and, at Lessee's option, may be removed by Lessee at any time during the Term. Lessor covenants and agrees that no part of the Communication Facility constructed, erected or placed on the Premises by Lessee will become, or be considered as being affixed to or a part of, the Parent Parcel, it being the specific intention of the Lessor that all improvements of every kind and nature constructed, erected or placed by Lessee on the Premises will be and remain the property of the Lessee and may be removed by Lessee at any time during the Term. Within ninety (90) days after the termination of this Lease, Lessee will, to the extent reasonable, restore the Premises to its condition at the commencement of the Lease, reasonable wear and tear and loss by casualty or other causes beyond Lessee's control excepted. Footings, foundations, and concrete will be removed to a depth of three-feet below grade. Notwithstanding the foregoing, Lessee will not be responsible for remove from the Premises or the Parent Parcel any underground utilities.

11. Subleases. Lessee at its sole discretion shall have the right, without the consent of or notice to Lessor, to license, sublease or otherwise allow the occupancy of all or a portion of the Premises and the Improvements. Lessee's licensee(s) and sublessee(s) shall be entitled to modify the tower and Improvements, and erect and install additional improvements and personal property on the Premises and Improvements, including but not limited to antennas, dishes, cabling, utilities, emergency or back up power, generators, and equipment shelters. Lessee's licensee(s) and sublessee(s) shall be entitled to all rights of ingress and egress to the Premises, the right to install utilities on the Premises and the right to use the Premises for the Intended Use as if said licensee or sublessee were the Lessee under this Lease.

12. Taxes. Lessee shall pay any property taxes assessed on the Improvements. Lessor agrees to provide to Lessee a copy of any notice, assessment or billing relating to any real or personal property taxes for which Lessee is responsible under this Lease within thirty (30) days of receipt of same by Lessor. Lessee shall have the right, at its sole option, and at its sole cost and expense,

to appeal, challenge or seek modification of any real or personal property tax assessment or billing for which Lessee is wholly or partly responsible for payment under this Lease.

13. Damage or Destruction. If the Premises or the Improvements are destroyed or damaged so as to hinder the effective use of the Improvements in Lessee's judgment, Lessee may elect to terminate this Lease as of the date of the damage or destruction by so notifying the Lessor.

14. Condemnation. If a condemning authority takes all of the Premises, or a portion sufficient in Lessee's determination, to render the Premises in the opinion of Lessee unsuitable for the use which Lessee was then making of the Premises, this Lease shall terminate the earlier of (i) the date title vests in the condemning authority or (ii) the date the condemning authority takes possession of the Premises or a portion of it. Lessor and Lessee shall share in the condemnation proceeds in proportion to the values of their respective interests in the Premises (which for Lessee shall include, where applicable, the value of its Improvements, moving expenses, prepaid rent, lost business, goodwill, and business relocation expenses). A sale of all or part of the Premises to a purchaser with the power of eminent domain in the face of the exercise of eminent domain power shall be treated as a taking by condemnation for the purposes of this paragraph. Except as provided in this paragraph, generally applicable condemnation law will apply in the event of a condemnation.

15. Insurance. Lessee, at Lessee's sole cost and expense, shall procure and maintain on the Premises and on the Improvements, bodily injury and property damage insurance with a combined single limit of at least Two Million and 00/100 Dollars (\$2,000,000.00) per occurrence. Such insurance shall insure, on an occurrence basis, against liability of Lessee, its employees and agents arising out of or in connection with Lessee's use of the Premises and Improvements.

16. Interference. Lessor shall not, nor shall Lessor permit its lessees, licensees, invitees or agents, to use any portion of the Parent Parcel or adjacent real property owned or controlled by Lessor in any way which interferes with Lessee's Intended Use of the Premises. Such interference shall be deemed a material breach of this Lease by Lessor and Lessor shall have the responsibility to immediately terminate such interference. In the event such interference is not immediately rectified, Lessor acknowledges that continuing interference will cause irreparable injury to Lessee, and Lessee shall have the right, in addition to any other rights that it may have at law or in equity, to bring an action to enjoin such interference or to terminate this Lease with notice to Lessor. Notwithstanding the above, Lessee hereby acknowledges that Lessor currently transmits and receives various wireless spectrum on the Property for two way radio service or other school related purposes. Such usage is grandfathered under this provision and shall not be considered Lessor interference as provided herein

17. Environmental Compliance. Lessor represents, warrants and agrees (i) that neither Lessor nor, to Lessor's knowledge, any third party has used, generated, stored or disposed of, or permitted the use, generation, storage or disposal of, any contaminants, oils, asbestos, PCBs, hazardous substances or wastes as defined by federal, state or local environmental laws, regulations or administrative orders or other materials the removal of which is required or the maintenance of which is prohibited, regulated or penalized by any federal, state or local government authority ("Hazardous Materials") on, under, about or within the Parent Parcel and/or Easement in violation of any law or regulation, and (ii) that Lessor will not, and will not permit any third party to use,

generate, store or dispose of any Hazardous Materials on, under, about or within the Parent Parcel and/or Easement in violation of any law or regulation. Lessee agrees that it will not use, generate, store or dispose of any Hazardous Material on, under, about or within the Premises in violation of any law or regulation. This Lease shall at the option of Lessee terminate and be of no further force or effect if Hazardous Materials are discovered to exist on the Parent Parcel and/or Easement through no fault of Lessee after Lessee takes possession of the Premises and Lessee shall be entitled to a refund of all the consideration paid in advance to Lessor under this Lease.

18. Environmental Indemnities.

(a) Lessee, its heirs, grantees, successors, and assigns shall indemnify, defend, reimburse and hold harmless Lessor from and against environmental damages caused by the presence of Hazardous Materials on the Premises arising solely as the result of Lessee's activities after the execution of this Lease.

(b) Lessor shall, upon demand of Lessee, and at Lessor's sole cost and expense, promptly take all actions to remediate the Parent Parcel and/or Easement which are required by any federal, state or local governmental agency or political subdivision or which are reasonably necessary to mitigate environmental damages or to allow full economic use of the Premises, which remediation is necessitated from the presence upon, about or beneath the Parent Parcel and/or Easement of a Hazardous Material. Such actions shall include but not be limited to the investigation of the environmental condition of the Parent Parcel and/or Easement, the preparation of any feasibility studies, reports or remedial plans, and the performance of any cleanup, remediation, containment, operation, maintenance, monitoring or actions necessary to restore the Parent Parcel and/or Easement to the condition existing prior to the introduction of Hazardous Material upon, about or beneath the Parent Parcel and/or Easement notwithstanding any lesser standard of remediation allowable under applicable law or governmental policies.

(c) The duties and indemnifications in this paragraph shall survive expiration or earlier termination of this Lease.

19. Notices. All notices, requests, demands and other communications hereunder shall be in writing and shall be deemed given if personally delivered or mailed, certified mail, return receipt requested, or via a nationally recognized overnight delivery service to the following addresses or to such other addresses as may be specified in writing at any time during the term of this Lease:

20. Title and Quiet Enjoyment. Lessor warrants and represents that (i) it has the full right, power, and authority to execute this Lease; (ii) it has good and marketable fee simple title to the Premises free and clear of any liens and encumbrances or mortgages; (iii) there are no easements, licenses, rights, covenants or restrictions on use related to or affecting the Premises which will interfere with Lessee's Intended Use of the Premises; and (iv) the execution of this Lease by Lessor will not cause a breach or an event of default of any other agreement(s) to which Lessor is a party, and (v) the Premises constitutes a legal lot that may be leased without the need for any subdivision or platting approval. Lessor covenants that it shall comply with all applicable laws, regulations and requirements related to the Premises and that Lessee shall have the quiet enjoyment of the Premises during the term of this Lease. In the event that Lessor fails to keep the Premises free and clear of any liens and encumbrances, Lessee shall have the right but not the obligation to satisfy such lien or encumbrance and deduct the full amount paid by Lessee on Lessor's behalf from future installments of Rent. Should Lessee's use of the Premises become compromised due to any breach of the warranty and covenants contained in this paragraph, Lessor acknowledges that Lessee shall be substantially harmed and Lessee will seek to recover from Lessor any damages Lessee may sustain.

21. Occurrence of Lessor Default. The covenants, representations and conditions in this Lease are mutual and dependent. Upon the occurrence of any breach or nonperformance of any representation, warranty, covenant, agreement or undertaking made by Lessor in this Lease ("Default"), Lessee shall have the option to pursue any one or more of the following remedies without notice or demand: (i) Lessee, may, at its sole election, terminate the Lease; (ii) Lessee, may, without being obligated and without waiving the Default, cure the Default so long as all the costs, expenses, and disbursements of curing the default do not exceed the then-current annual Rent, as set forth in Paragraph 5 of this Lease, whereupon Lessee shall be permitted to offset said costs, expenses and disbursements incurred by Lessee against Rent or any other amounts due or becoming due by Lessee to Lessor under this Lease; or (iii) Lessee shall be entitled to pursue any and all other rights or remedies available at law or equity, including specific performance of this Lease, with respect to Lessor's default.

22. Assignment. Lessee may assign this Lease without the consent of or notice to Lessor. From and after the date this Lease has been sold, assigned or transferred by Lessee to a third party agreeing to be subject to the terms hereof, Lessee shall immediately be released from any and all liability under this Lease, including the payment of any rental or other sums due, without any further action. Additionally, Lessee may mortgage or grant a security interest in this Lease and the Improvements, and may assign this Lease and the Improvements to any such mortgagees or holders of security interests including their successors and assigns (hereinafter collectively referred to as "Secured Parties").

23. Successors and Assigns. This Lease shall run with the Premises and shall be binding upon and inure to the benefit of the parties, their respective heirs, successors, personal representatives and assigns.

24. Waiver of Lessor's Lien. Lessor hereby waives any and all lien rights it may have, statutory or otherwise, in and to the Improvements or any portion thereof, regardless of whether or not same is deemed real or personal property under applicable laws.

25. Waiver of Incidental and Consequential Damages. Neither Party will assert any claim whatsoever against the other for loss of anticipatory profits or any other indirect, special, incidental or consequential damages incurred as a result of the construction, maintenance, operation or use of the Premises by Lessee or its agents, licensees' or sublessees'.

26. Liability and Indemnity. Lessee shall indemnify and hold Lessor harmless from all claims (including reasonable attorneys' fees, costs and expenses of defending against such claims) arising from the negligence or willful misconduct of Lessee or Lessee's agents or employees in or about the Premises. The duties described herein survive termination of this Lease.

27. Miscellaneous.

(a) Each party agrees to furnish to the other, within ten (10) days after request, such truthful estoppel information as the other may reasonably request.

(b) This Lease constitutes the entire agreement and understanding of the parties with respect to the subject matter of this Lease, and supersedes all offers, negotiations and other agreements. There are no representations or understandings of any kind not set forth herein. Any amendments to said Lease must be in writing and executed by the parties.

(c) If either party is represented by a real estate broker in this transaction, that party shall be fully responsible for any fees due such broker and shall hold the other party harmless from any claims for commission by such broker.

(d) Lessor agrees to reasonably cooperate with Lessee in executing any documents necessary to protect Lessee's rights under this Lease or Lessee's use of the Premises, including but not limited to affidavits relating to title curative measures and subordination and non-disturbance agreements and to take any further action which Lessee may reasonably require as to effect the intent of this Lease.

(e) This Lease shall be construed in accordance with the laws of the state in which the Premises is situated.

(f) If any term of this Lease is found to be void or invalid, such invalidity shall not affect the remaining terms of this Lease, which shall continue in full force and effect.

(g) Upon request of Lessee, Lessor shall promptly execute and deliver to Lessee such documents as Lessee requests to evidence Lessee's rights in the Premises, including a memorandum of option and a memorandum of lease and/or amendments thereto. Lessee may file such documents of record in the property records in the county in which the Premises are located.

(h) Lessee may obtain title insurance on its interest in the Premises and Easement, and Lessor shall cooperate by executing documentation required by the title insurance company. In the event the Premises is encumbered by a mortgage or deed of trust, Lessor agrees

to obtain and furnish, within thirty (30) days written request by Lessee, a non-disturbance agreement to the effect that Lessee and Lessee's sublessees or licensees will not be disturbed in the occupancy of the Premises by any foreclosure; provided that the rights and interests of Lessee under this Lease shall be subject and subordinate to such mortgage or deed of trust.

(i) Lessor hereby appoints Lessee or Lessee's agent as Lessor's agent to file applications on behalf of Lessor with federal, state and local governmental authorities which applications relate to Lessee's Intended Use of the Premises including but not limited to land use and zoning applications. This appointment shall automatically be revoked one-hundred and eighty (180) days following the termination of this Lease.

(j) This Lease may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties, it being understood that all parties need not sign the same counterpart and that scanned or electronically reproduced copies of this Lease shall have the same force and effect as originals.

(k) Lessor will not, during the term of this Lease together with any extensions thereof, enter into any other lease, license, or other agreement for a similar purpose as set forth herein, on or adjacent to the Premises.

(l) In any case where the approval or consent of one party hereto is required, requested or otherwise to be given under this Lease, such party shall not unreasonably condition, delay or withhold its approval or consent.

28. Relocation of the Improvements. Lessor has determined that the Premises is not presently needed for school purposes, is not anticipated to be needed for school purposes during the term of this Lease (including all renewal terms) and cannot advantageously be disposed by sale. Lessor further has determined that for the full term (including all renewal terms) this Lease will be advantageous to the Lessor or school district. If, after the expiration of the Initial Term, Lessor makes a determination that the Premises is needed for school purposes or that this Lease interferes with the duty of the Lessor to manage and control the school property, Lessor and Lessee will cooperate in good faith to locate the Improvements to an alternate location on the Property (if available), which shall be relocated at Lessee's sole cost and expense.

**COVID-19 NATIONAL EMERGENCY CLAUSE**

The parties agree that they are entering into this Agreement while the nation is in the midst of a national emergency due to the Covid-19 pandemic ("Covid-19 Pandemic"). Each party will abide by any federal, state (US), provincial (Canada) or local orders, directives, or advisories regarding the Covid-19 Pandemic with respect to its performance of its obligations under this Agreement and each shall have the sole discretion in determining the appropriate and responsible actions such party shall undertake to so abide or to safeguard its employees, subcontractors, agents and suppliers;
3. Each party shall use commercially reasonable efforts to keep the other party informed of pertinent updates or developments regarding its obligations as the Covid-19 Pandemic situation evolves; and
4. If Trane's performance is delayed or suspended as a result of the Covid-19 Pandemic, Trane shall be entitled to an equitable adjustment to the project schedule and/or the contract price.

**Olentangy Schools- Tyler Run Chiller****TERMS AND CONDITIONS - COMMERCIAL EQUIPMENT**

"Company" shall mean Trane U.S. Inc..

**1. Acceptance.** These terms and conditions are an integral part of Company's offer and form the basis of any agreement (the "Agreement") resulting from Company's proposal (the "Proposal") for the sale of the described commercial equipment and any ancillary services (the "Equipment"). **COMPANY'S TERMS AND CONDITIONS ARE SUBJECT TO PERIODIC CHANGE OR AMENDMENT.** The Proposal is subject to acceptance in writing by the party to whom this offer is made or an authorized agent ("Customer") delivered to Company within 30 days from the date of the Proposal. If Customer accepts the Proposal by placing an order, without the addition of any other terms and conditions of sale or any other modification, Customer's order shall be deemed acceptance of the Proposal subject to Company's terms and conditions. If Customer's order is expressly conditioned upon Company's acceptance or assent to terms and/or conditions other than those expressed herein, return of such order by Company with Company's terms and conditions attached or referenced serves as Company's notice of objection to Customer's terms and as Company's counteroffer to provide Equipment in accordance with the Proposal and the Company's terms and conditions. If Customer does not reject or object in writing to Company within 10 days, Company's counteroffer will be deemed accepted. Customer's acceptance of the Equipment will in any event constitute an acceptance by Customer of Company's terms and conditions. This Agreement is subject to credit approval by Company. Upon disapproval of credit, Company may delay or suspend performance or, at its option, renegotiate prices and/or terms and conditions with Customer. If Company and Customer are unable to agree on such revisions, this Agreement shall be cancelled without any liability.

**2. Connected Services.** In addition to these terms and conditions, the Connected Services Terms of Service ("Connected Services Terms"), available at <https://www.trane.com/TraneConnectedServicesTerms>, as updated from time to time, are incorporated herein by reference and shall apply to the extent that Company provides Customer with Connected Services, as defined in the Connected Services Terms.

**3. Title and Risk of Loss.** All Equipment sales with destinations to Canada or the U.S. shall be made as follows: FOB Company's U.S. manufacturing facility or warehouse (full freight allowed). Title and risk of loss or damage to Equipment will pass to Customer upon tender of delivery of such to carrier at Company's U.S. manufacturing facility or warehouse.

**4. Pricing and Taxes.** Following acceptance without addition of any other terms and condition of sale or any other modification by Customer, the prices stated are firm provided that notification of release for immediate production and shipment is received at Company's factory not later than 3 months from order acceptance. If such release is received later than 3 months from order acceptance date, prices will be increased a straight 1% (not compounded) for each one-month period (or part thereof) beyond the 3-month firm price period up to the date of receipt of such release. If such release is not received within 6 months after the date of order acceptance, the prices are subject to renegotiation or at Company's option, the order will be cancelled. Any delay in shipment caused by Customer's actions will subject prices to increase equal to the percentage increase in list prices during that period of delay and Company may charge Customer with incurred storage fees. In no event will prices be decreased. The price of Equipment does not include any present or future foreign, federal, state, or local property, license, privilege, sales, use, excise, value added, gross receipts or other like taxes or assessments. Such amounts will be itemized separately to Customer, who will make prompt payment to Company. Company will accept valid exemption documentation for such from Customer, if applicable. All prices include packaging in accordance with Company's standard procedures. Charges for special packaging, crating or packing are the responsibility of Customer.

**5. Delivery and Delays.** Delivery dates are approximate and not guaranteed. Company will use commercially reasonable efforts to deliver the Equipment on or before the estimated delivery date will notify Customer if the estimated delivery dates cannot be honored, and will deliver the Equipment and services as soon as practicable thereafter. In no event will Company be liable for any damages or expenses caused by delays in delivery.

**6. Performance.** Company shall be obligated to furnish only the Equipment described in the Proposal and in submittal data (if such data is issued in connection with the order). Company may rely on the acceptance of the Proposal, and in submittal data as acceptance of the suitability of the Equipment for the particular project or location. Unless specifically stated in the Proposal, compliance with any local building codes or other laws or regulations relating to specifications or the location, use or operation of the Equipment is the sole responsibility of Customer. If Equipment is tendered that does not fully comply with the provisions of this Agreement, and Equipment is rejected by Customer, Company will have the right to cure within a reasonable time after notice thereof by substituting a conforming tender whether or not the time for performance has passed.

**7. Force Majeure.** Company's duty to perform under this Agreement and the Equipment prices are contingent upon the non-occurrence of an Event of Force Majeure. If the Company shall be unable to carry out any material obligation under this Agreement due to an Event of Force Majeure, this Agreement shall at Company's election (i) remain in effect but Company's obligations shall be suspended until the uncontrollable event terminates or (ii) be terminated upon 10 days' notice to Customer, in which event Customer shall pay Company for all parts of the Work furnished to the date of termination. An "Event of Force Majeure" shall mean any cause or event beyond the control of Company. Without limiting the foregoing, "Event of Force Majeure" includes: acts of God; acts of terrorism, war or the public enemy; flood; earthquake; tornado; storm; fire; civil disobedience; pandemic insurrections; riots; labor/labour disputes; labor/labour or material shortages; sabotage; restraint by court order or public authority (whether valid or invalid); and action or non-action by or inability to obtain or keep in force the necessary governmental authorizations, permits, licenses, certificates or approvals if not caused by Company; and the requirements of any applicable government in any manner that diverts either the material or the finished product to the direct or indirect benefit of the government.

**8. Limited Warranty.** Company warrants the Equipment manufactured by Company for a period of the lesser of 12 months from initial start-up or 18 months from date of shipment, whichever is less, against failure due to defects in material and manufacture and that it has the capacities and ratings set forth in Company's catalogs and bulletins ("Warranty"). **Equipment manufactured by Company that includes required start-up and sold in North America will not be warranted by Company unless Company performs the Equipment startup.** Exclusions from this Warranty include damage or failure arising from: wear and tear; corrosion, erosion, deterioration; modifications made by others to the Equipment; repairs or alterations by a party other than Company that adversely affects the stability or reliability of the Equipment; vandalism; neglect; accident; adverse weather or environmental conditions; abuse or improper use; improper installation; commissioning by a party other than Company; unusual physical or electrical or mechanical stress; operation with any accessory, equipment or part not specifically approved by Company; refrigerant not supplied by Company; and/or lack of proper maintenance as recommended by Company. Company shall not be obligated to pay for the cost of lost refrigerant or lost product. Company's obligations and liabilities under this Warranty are limited to furnishing replacement equipment or parts, at its option, FCA (Incoterms 2000) factory or warehouse (f.o.b. factory or warehouse for US domestic purposes) at Company-designated shipping point, freight-allowed to Company's warranty agent's stock location, for all non-conforming Company-manufactured Equipment (which have been returned by Customer to Company). Returns must have prior written approval by Company and are subject to restocking charge where applicable. Equipment, material and/or parts that are not manufactured by Company ("Third-Party Product(s)") are not warranted by Company and have such warranties as may be extended by the respective manufacturer. **CUSTOMER UNDERSTANDS THAT COMPANY IS NOT THE MANUFACTURER OF ANY THIRD-PARTY PRODUCT(S) AND ANY WARRANTIES, CLAIMS, STATEMENTS, REPRESENTATIONS, OR SPECIFICATIONS ARE THOSE OF THE THIRD-PARTY MANUFACTURER, NOT COMPANY AND CUSTOMER IS NOT RELYING ON ANY WARRANTIES, CLAIMS, STATEMENTS, REPRESENTATIONS, OR SPECIFICATIONS REGARDING THE THIRD-PARTY PRODUCT THAT MAY BE PROVIDED BY COMPANY OR ITS AFFILIATES, WHETHER ORAL OR WRITTEN. COMPANY MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, INCLUDING WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. ADDITIONALLY, COMPANY MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND REGARDING PREVENTING, ELIMINATING, REDUCING OR INHIBITING ANY MOLD, FUNGUS, BACTERIA, VIRUS, MICROBIAL GROWTH, OR ANY OTHER CONTAMINANTS (INCLUDING COVID-19 OR ANY SIMILAR VIRUS) (COLLECTIVELY, "CONTAMINANTS"), WHETHER INVOLVING OR IN CONNECTION WITH EQUIPMENT, ANY COMPONENT THEREOF, SERVICES OR OTHERWISE. IN NO EVENT SHALL COMPANY HAVE ANY LIABILITY FOR THE PREVENTION, ELIMINATION, REDUCTION OR INHIBITION OF THE GROWTH OR SPREAD OF SUCH CONTAMINANTS INVOLVING OR IN CONNECTION WITH ANY EQUIPMENT, THIRD-PARTY PRODUCT, OR ANY COMPONENT THEREOF, SERVICES OR OTHERWISE AND CUSTOMER HEREBY SPECIFICALLY ACKNOWLEDGES AND AGREES THERETO.** No warranty liability whatsoever shall attach to Company until Customer's complete order has been

**Olentangy Schools- Tyler Run Chiller**

paid for in full and Company's liability under this Warranty shall be limited to the purchase price of the Equipment shown to be defective. Additional warranty protection is available on an extra-cost basis and must be in writing and agreed to by an authorized signatory of the Company. **EXCEPT FOR COMPANY'S WARRANTY EXPRESSLY SET FORTH HEREIN, COMPANY DOES NOT MAKE, AND HEREBY EXPRESSLY DISCLAIMS, ANY WARRANTIES, EXPRESS OR IMPLIED CONCERNING ITS PRODUCTS, EQUIPMENT OR SERVICES, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF DESIGN, MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, OR OTHERS THAT ARE ALLEGED TO ARISE FROM COURSE OF DEALING OR TRADE.**

**9. Indemnity.** To the fullest extent permitted by law, Company and Customer shall indemnify, defend and hold harmless each other from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, resulting from death or bodily injury or damage to real or personal property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this Agreement. Neither party shall indemnify the other against claims, damages, expenses or liabilities to the extent attributable to the acts or omissions of the other party. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault. The duty to indemnify will continue in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination.

**10. Insurance.** Upon request, Company will furnish evidence of its standard insurance coverage. If Customer has requested to be named as an additional insured under Company's insurance policy, Company will do so but only subject to Company's manuscript additional insured endorsement under its primary Commercial General Liability policies. In no event does Company waive any rights of subrogation.

**11. Customer Breach.** Each of the following events or conditions shall constitute a breach by Customer and shall give Company the right, without an election of remedies, to terminate this Agreement, require payment prior to shipping, or suspend performance by delivery of written notice: (1) Any failure by Customer to pay amounts when due; or (2) any general assignment by Customer for the benefit of its creditors, or if Customer becomes bankrupt or insolvent or takes the benefit of any statute for bankrupt or insolvent debtors, or makes or proposes to make any proposal or arrangement with creditors, or if any steps are taken for the winding up or other termination of Customer or the liquidation of its assets, or if a trustee, receiver, or similar person is appointed over any of the assets or interests of Customer; (3) Any representation or warranty furnished by Customer in connection with this Agreement is false or misleading in any material respect when made; or (4) Any failure by Customer to perform or comply with any material provision of this Agreement. Customer shall be liable to the Company for all Equipment furnished and all damages sustained by Company (including lost profit and overhead).

**12. Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT CONSEQUENTIAL, PUNITIVE, EXEMPLARY DAMAGES (INCLUDING WITHOUT LIMITATION REFRIGERANT LOSS, BUSINESS INTERRUPTION, LOST DATA, LOST REVENUE, LOST PROFITS), OR CONTAMINANTS LIABILITIES, EVEN IF A PARTY HAS BEEN ADVISED OF SUCH POSSIBLE DAMAGES OR IF SAME WERE REASONABLY FORESEEABLE AND REGARDLESS OF WHETHER THE CAUSE OF ACTION IS FRAMED IN CONTRACT, NEGLIGENCE, ANY OTHER TORT, WARRANTY, STRICT LIABILITY, OR PRODUCT LIABILITY. In no event will Company's liability in connection with the provision of products or services or otherwise under this Agreement exceed the entire amount paid to Company by Customer under this Agreement.

**13. CONTAMINANTS LIABILITY**

The transmission of COVID-19 may occur in a variety of ways and circumstances, many of the aspects of which are currently not known. HVAC systems, products, services and other offerings have not been tested for their effectiveness in reducing the spread of COVID-19, including through the air in closed environments. **IN NO EVENT WILL COMPANY BE LIABLE UNDER THIS AGREEMENT OR OTHERWISE FOR ANY INDEMNIFICATION, ACTION, OR CLAIM, WHETHER BASED ON WARRANTY, CONTRACT, TORT OR OTHERWISE, FOR ANY BODILY INJURY (INCLUDING DEATH), DAMAGE TO PROPERTY, OR ANY OTHER LIABILITIES, DAMAGES OR COSTS RELATED TO CONTAMINANTS (INCLUDING THE SPREAD, TRANSMISSION, MITIGATION, ELIMINATION, OR CONTAMINATION THEREOF) (COLLECTIVELY, "CONTAMINANTS LIABILITIES") AND CUSTOMER HEREBY EXPRESSLY RELEASES COMPANY FROM ANY SUCH CONTAMINANTS LIABILITIES.**

**14. Nuclear Liability.** In the event that the Equipment sold hereunder is to be used in a nuclear facility, Customer will, prior to such use, arrange for insurance or governmental indemnity protecting Company against all liability and hereby releases and agrees to indemnify Company and its suppliers for any nuclear damage, including loss of use, in any manner arising out of a nuclear incident, whether alleged to be due, in whole or in part to the negligence or otherwise of Company or its suppliers.

**15. Intellectual Property; Patent Indemnity.** Company retains all ownership, license and other rights to all patents, trademarks, copyrights, trade secrets and other intellectual property rights related to the Equipment, and, except for the right to use the Equipment sold, Customer obtains no rights to use any such intellectual property. Company agrees to defend any suit or proceeding brought against Customer so far as such suit or proceeding is solely based upon a claim that the use of the Equipment provided by Company constitutes infringement of any patent of the United States of America, provided Company is promptly notified in writing and given authority, information and assistance for defense of same. Company will, at its option, procure for Customer the right to continue to use said Equipment, or modify it so that it becomes non-infringing, or replace same with non-infringing Equipment, or to remove said Equipment and to refund the purchase price. The foregoing will not be construed to include any Agreement by Company to accept any liability whatsoever in respect to patents for inventions including more than the Equipment furnished hereunder, or in respect of patents for methods and processes to be carried out with the aid of said Equipment. The provision of Equipment by Company does not convey any license, by implication, estoppel, or otherwise, under patent claims covering combinations of said Equipment with other devices or elements. The foregoing states the entire liability of Company with regard to patent infringement. Notwithstanding the provisions of this paragraph, Customer will hold Company harmless against any expense or loss resulting from infringement of patents or trademarks arising from compliance with Customer's designs or specifications or instructions.

**16. Cancellation.** Equipment is specially manufactured in response to orders. An order placed with and accepted by Company cannot be delayed, canceled, suspended, or extended except with Company's written consent and upon written terms accepted by Company that will reimburse Company for and indemnify Company against loss and provide Company with a reasonable profit for its materials, time, labor, services, use of facilities and otherwise. Customer will be obligated to accept any Equipment shipped, tendered for delivery or delivered by Company pursuant to the order prior to any agreed delay, cancellation, suspension or extension of the order. Any attempt by Customer to unilaterally revoke, delay or suspend acceptance for any reason whatever after it has agreed to delivery of or accepted any shipment shall constitute a breach of this Agreement. For purposes of this paragraph, acceptance occurs by any waiver of inspection, use or possession of Equipment, payment of the invoice, or any indication of exclusive control exercised by Customer.

**17. Invoicing and Payment.** Unless otherwise agreed to in writing by Company, equipment shall be invoiced to Customer upon tender of delivery thereof to the carrier. Customer shall pay Company's invoices within net 30 days of shipment date. Company reserves the right to add to any account outstanding for more than 30 days a service charge equal to the lesser of the maximum allowable legal interest rate or 1.5% of the principal amount due at the end of each month. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due and otherwise enforcing these terms and conditions. If requested, Company will provide appropriate lien waivers upon receipt of payment. Company may at any time decline to ship, make delivery or perform work except upon receipt of cash payment, letter of credit, or security, or upon other terms and conditions satisfactory to Company. Customer agrees that, unless Customer makes payment in advance, Company will have a purchase money security interest in all Equipment to secure payment in full of all amounts due Company and its order for the Equipment, together with these terms and conditions, form a security agreement (as defined by the UCC in the United States and as defined in the Personal Property Security Act in Canada). Customer shall keep the Equipment free of all taxes and encumbrances, shall not remove the Equipment from its original installation point and shall not assign or transfer any interest in the Equipment until all payments due Company have been made. The purchase money security interest granted herein attaches upon Company's acceptance of Customer's order and on receipt of the Equipment described in the accepted Proposal but prior to its

**Olentangy Schools- Tyler Run Chiller**

installation. The parties have no agreement to postpone the time for attachment unless specifically noted in writing on the accepted order. Customer will have no rights of set off against any amounts, which become payable to Company under this Agreement or otherwise.

**18. Claims.** Company will consider claims for concealed shortages in shipments or rejections due to failure to conform to an order only if such claims or rejections are made in writing within 15 days of delivery and are accompanied by the packing list and, if applicable, the reasons in detail why the Equipment does not conform to Customer's order. Upon receiving authorization and shipping instructions from authorized personnel of Company, Customer may return rejected Equipment, transportation charges prepaid, for replacement. Company may charge Customer any costs resulting from the testing, handling, and disposition of any Equipment returned by Customer which are not found by Company to be nonconforming. All Equipment damaged during shipment and all claims relating thereto must be made with the freight carrier in accordance with such carrier's policies and procedures. Claims for Equipment damaged during shipment are not covered under the warranty provision stated herein.

**19. Export Laws.** The obligation of Company to supply Equipment under this Agreement is subject to the ability of Company to supply such items consistent with applicable laws and regulations of the United States and other governments. Company reserves the right to refuse to enter into or perform any order, and to cancel any order, under this Agreement if Company in its sole discretion determines that performance of the transaction to which such order relates would violate any such applicable law or regulation. Customer will pay all handling and other similar costs from Company's factories including the costs of freight, insurance, export clearances, import duties and taxes. Customer will be "exporter of record" with respect to any export from the United States of America and will perform all compliance and logistics functions in connection therewith and will also comply with all applicable laws, rules and regulations. Customer understands that Company and/or the Equipment are subject to laws and regulations of the United States of America which may require licensing or authorization for and/or prohibit export, re-export or diversion of Company's Equipment to certain countries, and agrees it will not knowingly assist or participate in any such diversion or other violation of applicable United States of America laws and regulations. Customer agrees to hold harmless and indemnify Company for any damages resulting to Customer or Company from a breach of this paragraph by Customer.

**20. General.** Except as provided below, to the maximum extent provided by law, this Agreement is made and shall be interpreted and enforced in accordance with the laws of the state of New York for Equipment shipped to a U.S. location and the laws of the province to which Equipment is shipped within Canada, without regard to its conflict of law principles that might otherwise call for the application of a different state's or province's law, and not including the United Nations Convention on Contracts for the International Sale of Goods. Any action or suit arising out of or related to this Agreement must be commenced within one year after the cause of action has accrued. To the extent the Equipment is being used at a site owned and/or operated by any agency of the Federal Government, determination of any substantive issue of law shall be according to the Federal common law of Government contracts as enunciated and applied by Federal judicial bodies and boards of contract appeals of the Federal Government. This Agreement contains all of the agreements, representations and understandings of the parties and supersedes all previous understandings, commitments or agreements, oral or written, related to the subject matter hereof. This Agreement may not be amended, modified or terminated except by a writing signed by the parties hereto. No documents shall be incorporated herein by reference except to the extent Company is a signatory thereon. If any term or condition of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, all other terms and conditions of this Agreement will nevertheless remain in full force and effect as long as the economic or legal substance of the transaction contemplated hereby is not affected in a manner adverse to any party hereto. Customer may not assign, transfer, or convey this Agreement, or any part hereof, or its right, title or interest herein, without the written consent of the Company. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of Customer's permitted successors and assigns. This Agreement may be executed in several counterparts, each of which when executed shall be deemed to be an original, but all together shall constitute but one and the same Agreement. A fully executed facsimile copy hereof or the several counterparts shall suffice as an original.

**21. Equal Employment Opportunity/Affirmative Action Clause.** Company is a federal contractor that complies fully with Executive Order 11246, as amended, and the applicable regulations contained in 41 C.F.R. Parts 60-1 through 60-60, 29 U.S.C. Section 793 and the applicable regulations contained in 41 C.F.R. Part 60-741; and 38 U.S.C. Section 4212 and the applicable regulations contained in 41 C.F.R. Part 60-250 Executive Order 13496 and Section 29 CFR 471, appendix A to subpart A, regarding the notice of employee rights in the United States and with Canadian Charter of Rights and Freedoms Schedule B to the Canada Act 1982 (U.K.) 1982, c. 11 and applicable Provincial Human Rights Codes and employment law in Canada.

**22. U.S. Government Work.**

**The following provision applies only to direct sales by Company to the US Government.** The Parties acknowledge that Equipment ordered and delivered under this Agreement are Commercial Items as defined under Part 12 of the Federal Acquisition Regulation (FAR). In particular, Company agrees to be bound only by those Federal contracting clauses that apply to "commercial" suppliers and that are contained in FAR 52.212-5(e)(1).

**The following provision applies only to indirect sales by Company to the US Government.** As a Commercial Item Subcontractor, Company accepts only the following mandatory flow down provisions: 52.219-8; 52.222-26; 52.222-35; 52.222-36; 52.222-39; 52.247-64. If the sale of the Equipment is in connection with a U.S. Government contract, Customer certifies that it has provided and will provide current, accurate, and complete information, representations and certifications to all government officials, including but not limited to the contracting officer and officials of the Small Business Administration, on all matters related to the prime contract, including but not limited to all aspects of its ownership, eligibility, and performance. Anything herein notwithstanding, Company will have no obligations to Customer unless and until Customer provides Company with a true, correct and complete executed copy of the prime contract. Upon request, Customer will provide copies to Company of all requested written communications with any government official related to the prime contract prior to or concurrent with the execution thereof, including but not limited to any communications related to Customer's ownership, eligibility or performance of the prime contract. Customer will obtain written authorization and approval from Company prior to providing any government official any information about Company's performance of the work that is the subject of the Proposal or this Agreement, other than the Proposal or this Agreement.

**23. Limited Waiver of Sovereign Immunity.** If Customer is an Indian tribe (in the U.S.) or a First Nation or Band Council (in Canada), Customer, whether acting in its capacity as a government, governmental entity, a duly organized corporate entity or otherwise, for itself and for its agents, successors, and assigns: (1) hereby provides this limited waiver of its sovereign immunity as to any damages, claims, lawsuit, or cause of action (herein "Action") brought against Customer by Company and arising or alleged to arise out of the furnishing by Company of any product or service under this Agreement, whether such Action is based in contract, tort, strict liability, civil liability or any other legal theory; (2) agrees that jurisdiction and venue for any such Action shall be proper and valid (a) if Customer is in the U.S., in any state or United States court located in the state in which Company is performing this Agreement or (b) if Customer is in Canada, in the superior court of the province or territory in which the work was performed; (3) expressly consents to such Action, and waives any objection to jurisdiction or venue; (4) waives any requirement of exhaustion of tribal court or administrative remedies for any Action arising out of or related to this Agreement; and (5) expressly acknowledges and agrees that Company is not subject to the jurisdiction of Customer's tribal court or any similar tribal forum, that Customer will not bring any action against Company in tribal court, and that Customer will not avail itself of any ruling or direction of the tribal court permitting or directing it to suspend its payment or other obligations under this Agreement. The individual signing on behalf of Customer warrants and represents that such individual is duly authorized to provide this waiver and enter into this Agreement and that this Agreement constitutes the valid and legally binding obligation of Customer, enforceable in accordance with its terms.
