RESOURCE STEWARDSHIP

FALL FORECAST 2020 — EXECUTIVE SUMMARY

Olentangy Schools provides a financial update each May and November so that leadership and the community gain an understanding of the District's ability to fiscally support operational needs through General Funds.

THIS FORECAST INCLUDES CHANGES IN REVENUE CREATED BY:

A 7.4 mill operating levy passed in April 2020.

Reductions in State Funding due to the COVID-19 pandemic.

Expenditures related to the COVID-19 operating protocols not supported by CARES Act funds.

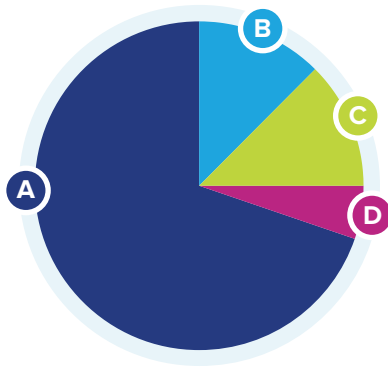

Additional costs related to opening two new elementary schools and one new middle school.

ENROLLMENT

A key indicator of the forecast is student enrollment, which drives decisions on staffing levels, facility needs and operational costs. The table shows the current enrollment projections approved by the Board of Education in October 2020. The enrollment forecasts that by FY 2025, student enrollment will grow by more than 2,000 students.
