If Co-owners elect to set up a background check requirement for all construction staff, a mutually agreeable list of minimum requirements will need to be established. The cost of completing background checks is not included in the GMP.
- 7. This GMP does not include any work to existing playground subdrainage systems. It is assumed that existing subdrainage system was installed at uniform depths at each playground. If subdrainage is damaged due to varying depths of installation cost for repair to be by Owner. - 11. New concrete at pits will be dowelled in at 4'-0 on center with rebar to control movement.
- 12. New concrete at pits will be covered with an epoxy inhibitor soon after the concrete is poured to allow for flooring to proceed within the scheduled timeframes.

- 14. Bookcase storage areas have been shown on drawings of buildings provided by Fanning & Howey for bid purposes. If these storage locations need modified this will need done prior to commencing work. Storage locations can be altered but travel distances need to remain similar.
- 15. An allowance has been included in the Media Center General Trades package. This allowance is for bookshelf removal and replacement. The allowance includes 3 guys for 8 hours to remove bookcases at beginning of project and 3 guys for 8 hours at end of project to reinstall the bookcases.
